INSTRUMENTAL PROGRAMME AT ST ANDREW'S CPS

Tuition is offered for flute, clarinet, saxophone, piano, percussion (drums & other percussion instruments) and guitar. Tuition will be offered to children from Years 3 – 7, but the choice of instrument will be in consultation with tutors, as some instruments require more physical strength than others – eg saxophone.

All children learning an instrument must have an instrument of their own to practise on. The tutor will help with the purchase or hire of an instrument should this be required.

The cost of lessons will depend on whether the lesson is an individual lesson or a group lesson (2 children usually). An individual 30-minute lesson will cost $25.00 while a group lesson will cost $12.50 for 30 minutes. Families would commit initially to tuition for a six month period. A term’s notice in writing must be given to the tutor if a child is withdrawing from the programme. Tuition costs are paid directly to the tutor who will invoice families prior to lessons beginning. Tuition is paid in advance.

Lessons are on a rotating timetable during school time, which means that unless unavoidable, children do not miss the same subject each week. Small numbers of students working with one tutor do not always allow this to happen, however, this is the goal.

Please complete and return the slip below indicating interest in the programme. This does not commit you to lessons. It is important for families to realise that the child learning the instrument must have a strong desire to do so, or there will be little success forthcoming.

Yours sincerely
