

JETS

The St Andrew's JETS Program (Joint Effort; Team Success) is designed to provide students, who are identified as gifted and talented, a stimulating and engaging lateral extension activities program.

Units of work, for students in Years 2 – 6 are cross-curricula. Groups are dynamic allowing for the inclusion of individuals with specific talents in different learning areas. Throughout the year, student may work in small groups, partner or individual open ended tasks within a collaborative and cooperative environment.
