

MINI VINNIES

Mini Vinnies empowers our students to become advocates within our school and local community by putting their values into action. We meet weekly to talk about social justice issues and to discuss ways in which we can assist others in our community. It is also about young people meeting to talk, share ideas and concerns, to have fun and support each other.

The Mini Vinnies have a model which we use of “See, Think, Do”. This model is a fantastic way to get young people thinking and talking about their spirituality and to connect their faith with issues affecting their community through volunteering, advocacy and fundraising. The school and wider community benefit from Mini Vinnies, not just the students directly involved.
